

STERILIZE

YOUR ENVIRONMENT

VERTICALLY INTEGRATED

From our design team to our manufacturing processes, BIX can provide a complete solution. Our goal is to optimize your design from prototype to production while reducing cost, lead time and excess vendors.

ENGINEERING

Utilizing an experienced design team to engineer the perfect solution for all medical applications from disposable, to reusable; BIXCONNECTORS.COM

MANUFACTURING

A wide range of medical materials, cable and connectors to create your vertically integrated assemblies.

LEAD TIMES

Competitive lead time from 2-4 weeks. BIXCONNECTORS.COM is here to keep your project on time.

PARTNERSHIP

BIXCONNECTORS.COM is your global partner in engineering and manufacturing for medical devices and assemblies.

CONNECTORS

- PLASTIC
- METAL
- TOUCH PROOF
- SIZE 00 - 5
- MIXED CONDUCTORS
- SOLDER
- PCB
- HDMI
- USB 3.0
- VISUAL KEYING
- NON-MAGNETIC
- COAX
- POWER & SIGNAL
- DISPOSABLE

RAW CABLE

- MEDICAL GRADE
- MIXED CONDUCTORS
- TWISTED PAIR
- COAX
- SHIELDED
- KEVLAR
- ZIP CABLES
- HDMI
- USB 3.0
- POWER
- SILICONE
- SANTOPRENE
- PVC
- HOOK UP WIRE

ASSEMBLIES

- PLUG ASSEMBLIES
- WIRE HARNESSSES
- FLEX CURCUITS
- RIGID PCB
- DISPOSABLE
- OVER MOLDS
- CLAM SHELL S/R
- YOKE MOLDS
- TOOLING
- POTTING
- PATCH CABLES
- HDMI
- USB 3.0
- CUSTOM

CONTACT US

We're ready to lead you into the future of innovative, high quality connectors and cable assemblies.
